6/16/03 R01-10-024 Order Instituting Rulemaking to Establish Policies and Cost Recovery Mechanisms for Generation Procurement and Renewable Resource Development.

Summary: AUGMENTATION REQUIRED. On June 13, 2003, Paul C. Lacourciere, of Thelen Reid & Priest, LLP, attorneys for Ridgewood Olinda, LLC (Ridgewood), attended an all-party meeting with Cmmr. Lynch in San Francisco. Lacourciere expressed Ridgewood support for maintaining the division of the market referent price into capacity and energy components, adopting up-front, automatic penalties if utilities fail to comply with their procurement obligations, and deferring final resolution of the definition of the renewable energy credit until a later date.

6/16/03 A02-09-006 Wild Goose Storage Inc., for Review under Public Utilities Code Section 851 et seq., of the Transfer of its Indirect Control to EnCana Corporation, or, in the alternative, Request for Declaratory Order.

Summary: On June 12, 2003, Philip H. Davies, Vice President and General Counsel of Wild Goose Storage Inc. (Wild Goose), spoke on the telephone with Cmmr. Brown. Davies indicated that the concern of Wild Goose and its parent, EnCana, centered around the fact that the alternate of Cmmr. Brown contained no explanation as to why Wild Goose should face a fine 10 times larger than the fines imposed on other companies in similar situations. Davies commented that the alternate indicated that the subject merger was in the public interest, and resulted in no harm to ratepayers or the Commission's ability to regulate Wild Goose. Davies noted that the imposition of a fine which is out of proportion with past decisions, without clear explanation, and without clear rules to provide guidance in an area where the Commission admits its decisions are not consistent, places the utility in a very difficult position.

Summary: On June 12, 2003, Michael Day of Goodin, MacBride, Squeri, Ritchie & Day, counsel for Wild Goose Storage Inc. (Wild Goose), met with Peter Arth, advisor to Pres. Peevey, in San Francisco. Also present was Sandra McCubbin, legislative lobbyist

for Wild Goose. Day discussed the proposed decision (PD) and the alternate of Cmmr. Brown and indicated that a review of the related legal precedents provided no clear explanation or justification for the imposition of a penalty substantially larger than those imposed on previous *nunc pro tunc* approvals under Section 854. Day noted that Wild Goose has, as the PD admits, sought to fully and timely comply with Commission reporting and disclosure requirements, and further, that Wild Goose had previously filed a Section 854 application when the shares of Wild Goose were directly transferred to another entity, thus disproving any intent to conceal such transactions from the Commission.
